## Lego Robotics Club

Ms. Bruce is the volunteer teacher for Lego Robotics Club. Students in the club create designs for the robots and then build and test them. The robots have to pass certain tests, such as going up to a mechanical toilet that the boys made and flush it. Lego Robotics isn't all about competition it is about working together and teamwork. For instance, if another team wins you shouldn't get upset about it, you should congratulate them. The men that first made Lego Robotics were a lot of businessmen and workers, they were good sports and loved Lego Robotics like Ms. Bruce and her students.

## Save the Date!

Oct. 3

Cross County at  
4:00 meet at  
Amery

Oct. 5

Football Middle  
School Game at  
5:00

October 16

Family Reading  
night 6-7 p.m.

Fair October 16-20

## Breava Highlights

BREVA's back baby! In case you didn't know BREVA is a comedy show starring Brooke Baselt and Eva Kopacz. They will be doing BREVA every Thursday after school starting on October 11th in Mr. Kopacz's room. If something comes up on October 11th the alternate date will be on October 18th. If you are interested in signing up Brooke and Eva will be handing out permission slips to your classrooms. Before you sign up you will have to ask your parent/guardian to fill out the permission slip.

Auditions will be held at lunch/recess on October 6th. The first episode will be about old people doing yoga. The parts that you can audition for are Marty, Sam, Julie, Patty, Luke, and Tiffany, Marty, Sam, Luke, and Tiffany are yoga students. Patty and Julie are the yoga teachers. Permission slips are due on October 5th.

Thank you!

OMG, I have finally  
Discovered what's  
wrong with my  
Brain:  
on the left side,  
there is nothing  
right, and  
on the right side,  
there is nothing left...

## Jokes

Q: What is a polygon?

A: A dead parrot

Q: Who stole the soap?

A: The robber ducky

## Squirrel Hunting

Baiting is quite easy. All it takes are these materials. 5 2/4s the length you want your bait to be. Now take screws or nails and make a box without a top. Once your top is done it should look something like I\_I. Now take acorns or nuts and fill it to the top. Last step take a ladder and put it up in a tree, in a spot you are safe to shoot at. Check it every night and when it's low fill it again. When you start seeing squirrels your bait is successful. Use a pellet gun to shoot the squirrel, aim for places such as the head, heart, and lungs. Good luck out there!

## Dive Into Swim

Hop in the pool. Have a splash! It's swimming time at last. Swimming is a great sport! I love it! The coaches are nice and you can make a lot of new friends. Also if you don't like to sweat this is a great sport for you. Swimming has several different stages for you. The first stage is Bronze, the second is Silver, and the third is Gold, then its Trident. Swim starts on October 23 and the registrations is the 16<sup>th</sup> and 19<sup>th</sup> at the Ladysmith pool from 6:00-7:00 p.m. Come and join the swim team!

3. Subnatica
4. Minecraft
5. The Cure
6. Rollbox
7. Kindergarten
8. BearBarian's
9. Walking Dead Road to Survival
10. Raze 3

## New Teacher Meet Mrs. Gilles

Mrs. Gilles started teaching at a Christian School because she wanted to share God with kid. Now she lives in a cottage on Lake Henry, then decided to teach at Flambeau School. She has been teaching for 22 years. Throughout those years Math has been her favorite subject and Music has been her least favorite. In the past she has taught 3<sup>rd</sup> and 4<sup>th</sup> grade. I hope she enjoys teaching 5<sup>th</sup> grade. Welcome to Flambeau! Written by: Lindsey
