SCHOOL DISTRICT OF FLAMBEAU

SUMMER SCHOOL 2024

Sign Up Information

The School District of Flambeau is offering summer school opportunities this summer. This is a great opportunity for your child to explore more of their interests and expand their knowledge.

Dates and Times:

June 10th – June 28th Monday – Thursday

Classes run in three blocks:

- o Block A: 8:25 a.m. – 9:30 a.m.
- o Block B: 9:30 a.m. – 10:30 a.m.
- o Block C: 10:30 a.m. – 11:30 a.m.

Sign Up Procedure and Information:

1. Sit down with your child and go over the choices available at his/her grade level.
2. Fill out the class sign-up form online (<https://forms.gle/uCnYkDwf1aLomd51A>) found on the district website. You may also fill in the paper form below and return it to your child's homeroom teacher or the District Office. **Note:** Your child does not have to take three classes. They can take one, two, or three if they so choose. Please remember if your child will not be here for the entire half day, you will need to provide transportation home.
3. All classes are assigned on a first-come, first-serve basis. Some classes may not run if there are not enough registrants. You will receive a confirmation list of your child's classes. If a class is canceled your child will have an opportunity to sign-up for another selection.
4. The registration deadline is **Friday, May 3rd**.
5. Verification of class assignments will be sent home with the student the week of May 20th-May 24th.
6. Pick-up and drop-off for students being transported by their parents/guardians will be at the front door – S2. For students being transported by bus, this will take place at the normal location; doors by the MS/HS IMC.
7. Students are not allowed to be dropped off before 7:45 a.m.
8. Students are NOT allowed on campus unless they are enrolled in summer school classes.
9. Breakfast will begin at 7:55 a.m.
10. Lunch will begin at 11:30 a.m.
11. If your child(ren) **REQUIRES** bus transportation, you are required to choose classes from all four (3) sessions and please do not forget to sign the forms!
12. **Questions:** Please contact Betsy Miller, 4YK-12 Principal at (715) 532-3183 or betsy.miller@flambeauschools.org

Non-Discrimination Policy:

It is the policy of the School District of Flambeau that no person may be denied admission to any public school in this district or be denied participation, be denied the benefits of, or be discriminated against in any curricular, extracurricular, public service, recreational, or other program or activity because of the person's race, sex, religion, national origin, color, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability as required by Section 118.13 of the State Statutes and the Individuals with Disabilities Education Act of 2005. This policy also prohibits discrimination as defined by Title IX of the Educational Amendments of 1972 (sex), Title VI of the Civil Rights Act of 1964 (race, color, national origin), Section 504 of the Rehabilitation Act (handicap) and Americans with Disabilities Act of 1997 (Disability).

Students with Disabilities:

The School District of Flambeau encourages students with disabilities to enroll in any appropriate district-approved summer school courses. Please contact Mrs. Betsy Miller, 4YK-12 Principal if your child(ren) requires any special accommodations to successfully complete summer school course requirements.

Location of Village Pick-Ups & Drop-Offs:

- Conrath = Food Mill
- Glen Flora = Edming’s
- Hawkins = Gas Station & Community Center
- Ingram = Village Hall (White building across from the old school)
- Sheldon = Community Center
- Tony = Tony Depot

Village Pick-Up Times:

Hawkins	7:15 a.m.	Sheldon	7:15 a.m.
Ingram	7:25 a.m.	Marshall Cheese	7:25 a.m.
Glen Flora	7:35 a.m.	Conrath	7:35 a.m.
Tony	7:40 a.m.		

Village Drop-Off Times:

Tony	12:15 p.m.	Conrath	12:20 p.m.
Glen Flora	12:20 p.m.	Marshall Cheese	12:30 p.m.
Ingram	12:25 p.m.	Sheldon	12:40 p.m.
Hawkins	12:35 p.m.		

Please note: Transportation will **ONLY** be provided by the district in the morning and at noon. Your child(ren) is always welcome to sign up for Leisure Library (which is offered all three blocks). If your child(ren) is coming after the start of the day or is not staying until the busses depart, then parents are responsible for drop-off or pick-up (unless otherwise indicated).

(Cut Here)

Registration

If you would like to register on paper, please use the bottom half of this page, 3, 4, and return all to the School District of Flambeau’s front office fully completed and signed.

(Please Print)

Student's Full Name: _____ Date of Birth: _____

Grade Child will be going into 2024-2025: _____ 2023-2024 Homeroom Teacher: _____

If riding the bus, please indicate which Pick-up and/or Village Drop-Off Location your child will need (please see above-referenced information):

Pick-Up Location: _____ Drop-Off Location: _____

Parent/Guardian Name: _____

Parent/Guardian Address: _____

Parent Guardian Daytime Contact Number (with area code): _____

Parent/Guardian Email Address: _____

Will the above child be participating in swim lessons this summer? ___ **Yes** (in combination with regular summer school) ___ **No** (enrolling in regular summer school classes only)

If you checked “Yes” above to enroll your child in swim lessons, please choose the level you would like them to be placed in. **Please note that if your student is in grades 3,5 or 7 they will not be able to be in a Block A class due to swim lesson timing. If your student is in grades 2,4,6 or 8 they will not be able to be in a Block C class due to swim lesson timing.**

Please see the end of the 2024 School District of Flambeau’s Summer School Registration Packet for a description of all of the different levels.

- Pre-Beginners – Level 1
- Advanced Beginners – Level 4
- Pre-Beginners – Level 2
- Advanced Beginners – Level 5
- Swimmers – Level 7
- Beginners – Level 3
- Intermediates – Level 6

For each block of the summer school day, select a 1st choice by writing a “1” in the space to the left of the class, a 2nd choice for the block by writing a “2” in the space to the left, and a 3rd choice.

Block A – 8:25 a.m. – 9:30 a.m.		
Selection #	Course Name	Grade Level
	Volleyball	Grades 3-4
	Books Cooks	Grades 2-4
	Chemistry for Teens	Grades 5-8
	Games Galore	Grades 2-4
	Fairytale Study	Grades 5-8
	Rex Academy-Scratch Jr	Grades 2-3
	Summer Slides Master	Grades 3-5
	Leisure Library	Grades 2-12

Block B – 9:30 a.m. – 10:30 a.m.		
Selection #	Course Name	Grade Level
	Volleyball	Grades 5-8
	Chemistry for Kids	Grades 2-4
	Arts & Crafts	Grades 2-4
	Counted Cross Stitch	Grades 4-12
	Summer STEM	Grades 4-8
	Games Galore	Grades 5-8
	Rex Academy-Scratch	Grades 4-5
	Gardening & Landscaping	Grades 5-12
	Leisure Library	Grades 2-12

Block C – 10:30 a.m. - 11:30 a.m.		
Selection #	Course Name	Grade Level
	Soccer for Beginners	Grades 3-8
	Book Cooks	Grades 5-8
	Dough, Goop & Slime	Grades 2-3
	Outside Games	Grades 3-8
	Cribbage for Beginners	Grades 4-12
	Crafts, Crafts, Crafts!	Grades 5-8
	Rex Academy- 2D games	Grades 6-8
	Rex Academy-Gen AI	Grades 9-12
	Let’s Go Hiking!	Grades 5-12
	Leisure Library	Grades 2-12

Special Summer School Classes Sign-Up:

Please remember to read the course descriptions closely for the specifics of each class.

If your child is interested in signing up for any of the Special Summer School Classes, please circle the course name.

All I Can Be - Grades Eligible: All incoming 4YK students

Kick Start Kindergarten - Grades Eligible: Incoming Kindergarteners

First Grade Frenzy: Incoming 1st grade students

Reading Rockets!: Grades Eligible: 2-5

Band Lessons - Grades Eligible: 6-12

Basketball Camp - Grades Eligible: 3-8 July 8th-July 12th 4:00-6:00 pm

Credit Recovery - Grades Eligible: 9-12

Environmental Challenge - Grades Eligible: 9-12 (Application must be completed)

Explore Wisconsin - Grades Eligible: 3-5

Hooked on Fishing - Grades Eligible: 4-6

Marching Band - Grades Eligible: 8-12

Drivers Education: Students must be age 14 ½ by June 1st

Strength and Conditioning - grades 5-12

If there are other classes your high school-age child may be interested in, we now have resources available through Rural Virtual Academy. If this is something you think you might want to further research, please feel free to email Mrs. Betsy Miller, 4YK-12 Principal at betsy.miller@flambeauschools.org

Parent Guardian Consent:

I, as the parent/guardian of the student listed at the top of this form, agree that I am registering him/her for the selected 2024 School District of Flambeau Summer School classes based on availability. I have read all of the information provided in the 2024 School District of Flambeau Summer School Packet in regard to hours of operation, meals transportation, etc. If I have any questions, I will contact the school and ask for further clarification.

CLASS DESCRIPTIONS:

Swimming Lessons

Grades Eligible: 4YK-8

Note: Students will not be allowed to choose the time of their swim session. *Please note that if your student is in grades 3,5 or 7 they will not be able to be in a Block A class due to swim lesson timing. If your student is in grades 2,4,6 or 8 they will not be able to be in a Block C class due to swim lesson timing.*

Swim Sessions:

- 9:00 a.m. – 9:40 a.m. for Grades 1, 3, 5, and 7th. Students will leave the school at 8:30 a.m.
- 10:20 a.m. – 11:00 a.m. for Grades K, 2, 4, 6 and 8th. Students will leave the school at 9:50 a.m.
- 1:40 p.m. – 2:20 p.m. Open to All (**Please Note that this is 100% Parent Transported – Pick-up & Drop-off**)

Summer Slide Masters

Grades Eligible: 3-5

Join us this summer for an exciting journey as we explore the endless possibilities of Google Slides! Through hands-on activities, participants will learn how to create, design, and personalize engaging slide presentations. Students will explore various features of Google Slides, unleash their creativity, and develop presentations that reflect their individuality. By honing these skills over the summer, students will be well-prepared to excel academically when they return to school in the fall. Join us for a summer filled with fun, creativity, and the endless possibilities of Google Slides!

Teacher: Teresa Steckel

Summer Arts & Crafts

Grades Eligible: 2-4

Embark on a journey of creativity this summer! This class offers hands-on experiences filled with creativity and enjoyment. Participants will engage in various arts and crafts activities, including painting, drawing, Shrinky-Dinks, diamond art, and designing friendship bracelets. This summer, take time to explore your artistic expression while you take a break from the summer heat and hang out with your friends.

Teacher: Teresa Steckel

Crafts, Crafts, Crafts!

Grades Eligible: 5-8

If you enjoy crafting, this is the class for you. There will be many fun DIY crafts for you to enjoy making and taking home. Come and enjoy the fun.

Teacher: Megan Ellwanger

Book Cooks

Grades Eligible: 2-4 & 5-8

Stir up a batch of eager readers with "Book Cooks" literature-based classroom cooking activities. Favorite children's books inspire all recipes and will motivate young readers to enjoy hands-on cooking experiences. Students will practice math and reading skills, learn science concepts, work cooperatively, develop good work habits, build self-confidence, and bring recipes home to share with family and friends.

Teacher: Rebecca Klindworth

Chemistry for Kids

Grades Eligible: 2-4

Students will be engaged in hands-on activities to observe chemical reactions where they will see evidence of chemical change and other related activities in the field of chemistry.

Teacher: Lawrence Zoglie

Counted Cross-Stitch

Grades Eligible: 4-12

This is open to 4-12 graders. Students do need to be able to count well to at least 20. Beginners will work on a butterfly design while learning how to find the center of the pattern, find the center of the material, separate thread, thread a needle, read a pattern, and stitch the pattern onto the material using the X method. Intermediate students

are welcome to bring in their own materials, but the focus will be on French knots and backstitching. These two things add details to patterns. Depending on availability, bookmarks may be made.

Teacher: Carma Verdegan

Chemistry for Teens

Grades Eligible: 5-8

Students will be engaged in cross-curricular fun activities in the science discipline(including Chemistry, physics, and biology)

Teacher: Lawrence Zogle

Soccer for Beginners

Grades Eligible: 3-8

Students will have health benefits including increased aerobic capacity and cardiovascular health, engaged motor skills, specifically hand and eye coordination, and improved muscle tone.

Teacher: Lawrence Zogle

Dough, Goop, and Slime

Grades Eligible: 2-3

What's better than MESSY FUN? Come join me this summer while we use science to make awesome dough, goop, and slime creations! We will make our creations with simple ingredients that you probably have at home, and you will get a recipe card for each one! This class does not come without a challenge... are you able to make ooey, gooey, soft, and mushy, and keep them away from Oliver? (Limit 10 students)

Teacher: Teresa Steckel

Cribbage for Beginners

Grades Eligible: 4-12

This class is designed to develop the love of cribbage in students. Cribbage is a life-long skill to be enjoyed. It has been around since the 1600s. It does require students to have some basic math skills (adding and subtracting). Points are scored for card combinations that add up to fifteen and for pairs, triples, quadruples, runs, and flushes. Boards and cards will be provided.

Teacher: Carma Verdegan

Fairytale Study: Cinderella

Grades Eligible: 6-8

Read the classic fairytale *Cinderella* and many of its variations. This class is meant for struggling readers as it will focus on various reading strategies: cause and effect, prediction, compare and contrast, character analysis, sequencing,.....

Teacher: Carma Verdegan

Rex Academy: ScratchJr-Animation and Game Development

Grades Eligible: 2-3

Students will learn the foundations of coding and computational thinking through coding with Scratch Jr. Students will make animations and games as they learn.

Teacher: Eileen Dean  Scratch Jr. Vertical (1).mp4

Rex Academy: Scratch-Animation and Game Development

Grades Eligible: 4-5

Students will make fun animations and games as they learn the foundations of computer science. Students will learn the block-based programming language Scratch.

Teacher: Eileen Dean  Check out what Rex students are doing!

Rex Academy: Flow Lab 2D Game Programming

Grades Eligible: 6-8

Students will build fun and deep games through the FlowLab game lab.

Teacher: Eileen Dean  Flow lab intro.mp4

Rex Academy: Generative AI

Grades Eligible: 9-12

Students will learn the ethical use of Generative AI and strategies to make AI tools more useful.

Teacher: Eileen Dean  Intro to prompt engineering.mp4

Games Galore**Grades Eligible: 2-4 & 5-8**

Love to play board games? Want to strengthen your critical thinking skills and strategy development? Choose from various board games, relax and build a LEGO village, or compete with others to make the best words in Scrabble. Spend your Monopoly money and become the owner of real estate, railroads, and utilities. Be sure to pay the taxes or you will pay the consequences! Use your skills to be a winner with a variety of classroom games or bring a favorite to share. Puzzles and games give our brains a boost! Please feel free to bring your own board game, as well.

Teacher: Sandy Barnett

Outside Ball Games**Grades Eligible: 3-8**

Do you like to be outside and play outdoor games? If you said "YES," come join us in the Outdoor Games this summer. We will play all sorts of games such as Four Square, Kickball, Wiffle ball, Nukem, SPUD, Badminton, Sharks & Minnows, and many more. You will use your large and small muscles to walk, run, crawl, hop, skip, catch, kick, strategize, and more. Bring a water bottle because you need to stay hydrated while playing outside. See you there!

Teacher: Sandy Barnett

Summer Stem**Grades Eligible: 4-8**

This three-week course will focus on the principles of STEM. This session will help develop critical thinking and problem-solving skills in a small group capacity. Students will use hands-on learning to navigate through challenges and activities. The daily principle of STEM is as follows:

- Monday: Math
- Tuesday: Outdoor/Nature
- Wednesday: Science
- Thursday: Engineering

Teacher: Rebecca Klindworth

Leisure Library Time**Grades Eligible: 1-12**

In this class, students will have the option of enjoying their favorite books, surfing the internet, playing board games, watching movies, or creating a fun project!

Volleyball Camp Drills & Skills**Grades Eligible: 3-4 & 5-8**

Students will be introduced to the fundamentals of volleyball. They will deep dive into each skill and learn how to utilize that in play. Each day we will work on a skill and then play games that help enhance those skills. Get ready to bump, set, attack!!

Coach: Savannah Williams

Gardening & Landscaping**Grades Eligible: 5-12**

Gardening and Landscaping will include growing pumpkins in the school garden while learning how to care for these plants and working in the school orchard with the apple trees. We will also be weeding and taking care of the landscaping around the school while learning about how to ID common landscaping plants.

Teacher: Alissa Maier

Let's Go Hiking!**Grades Eligible: 5-12**

Students will have the opportunity to work around the school with different landscaping areas as well going on nature hikes learning about local foliage in Rusk County. This session will include outdoor exercises while learning how to ID native trees and foliage found in the school forest.

Teacher: Alissa Maier

SPECIAL SUMMER CLASSES

All I Can Be!

Grades Eligible: Students entering 4YK in September 2024

This class will run consecutively through all three sessions for incoming 4YK students.

Future cowboys and cowgirls, princes and princesses, scientists, astronauts, police officers, firemen or women, construction workers, and dreamers who are entering 4YK this fall will have a fun and active introduction to school this summer! We will be learning about different jobs and occupations; from fun options (like superheroes, kings, and queens) to real-life work (like farmers, teachers, and cooks). If your child enjoys creative and imaginative play, they will love this opportunity to play and learn social skills, check out a school day, and make new friends. They will also be exploring beginning math, writing, literacy, and science activities.

Teacher: Heather Isham

Kick Start Kindergarten

Grades Eligible: K

This class will run consecutively through all three sessions for incoming Kindergarten students.

Learning Independent skills will be our focus as 4YK kids leap into Kindergarten! Each day will be filled with working hands-on with letters, numbers, and shapes while exploring them in fun creative ways throughout the day.

Teacher: Lynn Johnson

First Grade Frenzy!

Grades Eligible: 1

This class will run consecutively through all three sessions for incoming first-grade students.

Students going into first grade will be introduced to first-grade lessons, materials, and activities. Reading, Writing, Math, and STEAM will be focused on each day with various engaging activities both inside and outside of the classroom. Come learn, play with friends, and have some fun!

Objectives: Students will enhance their reading, writing, and math skills through a variety of engaging activities.

Teacher: Phaedra McDougall

Reading Rockets

Grades Eligible: 2-5

Reading Rockets is designed to empower students with the foundational reading skills they need to succeed academically and beyond. By addressing their individual needs and providing fun hands-on learning activities, we aim to instill a love for reading and equip students with the tools they need to become confident readers.

Teachers: Dana Stewart and Michelle Weber

Band Lessons

Grades Eligible: 6-12

Individual or small group lessons for the Middle School band (and interested High School) meet either once or twice a week, depending on the student's interests and schedules. Lessons last half an hour. Sixth graders who will be in band in the fall are especially encouraged to sign up for summer lessons - or at least come in to test-play instruments so we can figure out what they will end up playing.

Teacher: Kurt Hoesly

Basketball Camp

Grades Eligible: 3-12

Will be held: July 8th-12th

Monday – Friday: 3rd-12th Graders will be from 4:00 p.m. – 6:00 p.m. with the Activity Bus doing Village pick-ups/drop-offs

Basketball camp is open for all players (beginners to those with experience), looking to improve their basketball skills and knowledge of the game. During camp, we will work on skills such as ball handling, shooting, passing, defense, and more. There will also be an emphasis on creating an environment that is competitive, challenging, and fun with many team and individual player games and drills. We hope all players who come to camp leave feeling more excited and confident about playing basketball.

Teachers: Elizabeth Schmidt & Amanda Coggins

Credit Recovery

Grades Eligible: 9-12

What is credit recovery you ask? Credit recovery is a strategy that encourages students to fulfill the credit requirement for graduation if they have fallen behind. The setting for credit recovery is very relaxed which aids in student success. Students will receive a syllabus with a timeline of when work is to be completed and turned in. A student may be referred by staff or administration. *Classes begin on June 10th - ? They will be held Monday – Thursday every week. This class will run consecutively through all four sessions.*

Teacher: Sandy Barnett

Environmental Challenge

Grades Eligible: 9-12

Students take on several projects that allow them to build teamwork skills, and to protect and conserve our environment within our community. This is a great program that allows students to learn to be good stewards of the earth while helping out the community's environment! Students will also learn the importance of regulations and steps that go along with the work they're performing. Students who participate in this class will receive a stipend after they have completed this environmental stewardship. Get ready to make a difference in our local community!

PLEASE NOTE: If you would like to participate in this program, please complete the application that is attached to this packet and turn it in with your completed registration packet.

If selected for the program, you will be contacted by the teacher to inform you of the start and end dates. This program doesn't run with the summer school schedule and students will need to provide their own transportation to and from the school.

Teacher: Todd Roehl

Explore Wisconsin

Eligible Grades: 3-5

Will be held July 15th – July 19th

Explore Wisconsin gives students the unique chance to travel across Wisconsin learning about its history, culture, and topography by exploring different locations. A full week is required for this exciting summer school opportunity. Trips may include hikes, swimming, spelunking, museums, zoos, and many other experiences.

This is an enrichment program being offered to students with proven exemplary behavior in school, on the school bus, and on field trips. Participants are expected to represent the most outstanding citizenship qualities of a Flambeau student.

The current schedule is as follows:

- Monday, July 15th - Crystal Cave (Spring Valley & Cadie Woodlawn Park)
- Tuesday, July 16th – National Fishing Hall of Fame (Hayward) & Amnicon Falls State Park
- Wednesday, July 17th – Wildwood Park & Zoo (Marshfield & Jurustic Park)
- Thursday, July 18th – Farm Wisconsin Discovery Center (Manitowoc) & Lambeau Field
- Friday, July 19th – Marieke Gouda Tour (Thorp) & Thorp Aquatic Center

Important items to note regarding this class:

- Parents *MUST* provide transportation to and from school at scheduled times and may include *EVENING* pickups.
- Students must have a home-packed lunch, snack, and/or supper **WITH NO SODA ALLOWED.**
- Exact schedules will be provided after enrollment is confirmed.
- Enrollment is limited.

Teachers: Heather Isham & Kelsey Flint

Strength and Conditioning - 6:00 am-8:00 am

Grades Eligible: 5-12

This class is much more than just an open weight room. Students will spend the first 15 minutes in the classroom watching videos and learning the proper way to lift weights and run. We will also discuss nutrition. You will learn how to stay fit and/or become bigger, faster, and stronger. Students will perform warm-ups, which will consist of a jog, speed lines, and dynamic stretching. In addition, students will be lifting weights and running. We will lift and do agility on Mondays, Tuesdays, and Wednesdays. Each day we will work in so Physical Education type games as well. **This is a great summer school class for both males and females! Your effort in the off-season will greatly increase your success during the season.**

Teacher: Todd Roehl

Drivers Education

Student must be age 14 ½ by June 1st

Driver Education is essential to encourage responsible drivers who understand the components of the highway transportation system and who participate in the system safely. The State of Wisconsin requires **30 HOURS** of classroom instruction, **6 HOURS** of behind-the-wheel, and **6 HOURS** of observation in the car to meet these needs. **(Additionally, it is very important for parents to continue to monitor the driving of their children and model safe and appropriate driving skills. The most vulnerable time for students will be a few months after they get their licenses as they may become overconfident.)**

CLASSROOM :

1. 30 hours of classroom instruction will be provided.
2. **STUDENTS ARE RESPONSIBLE FOR ATTENDING ALL CLASS SESSIONS**
3. Drive Right Text and accompanying assignments will be used.
4. Assignments must be neatly completed and turned in on time.

BEHIND-THE-WHEEL:

1. Students must maintain a "C" average in Driver Education to begin the Behind-the-wheel phase of Drivers Education.
2. Age and grades will be taken into consideration when scheduling is done.
3. Students must have their Driver's Permit on their person to drive.
4. Students must contact Mr. Zeman **DIRECTLY** if they are unable to make a Behind-the-wheel appointment.
5. Completions of the Behind-the-wheel is only one step along the way to becoming a good driver - much additional practice is needed.

****Please note that the on-street phase of Drivers Education is FLEXIBLE. The student may lose his or her place on the driving schedule if he or she violates any of the course rules or does not develop through practice outside of class.****

Teacher: Kevin Zeman

Hooked on Fishing

Grades Eligible: 4-6

This 5-day, all-day-long (8:00 a.m. – 3:00 p.m.), outdoor educational class teaches you about various types of fish habitat, plants, and animals native to our area. You will obtain the knowledge through hands-on fishing expeditions to a variety of areas lakes, rivers, and streams. Students will eat breakfast before leaving the school grounds and school lunch will be provided. Students who have not taken the class in the past will be given the first chance to enroll. Students should bring bug spray, sunscreen, and snacks. All fishing bait and tackle will be provided. A list of locations will be provided after registration is complete. Group 1 is scheduled for June 3rd – June 7th and Group 2 is scheduled for June 10th – June 14th. *Students who elect to participate in this class and need transportation will ride the bus to school Monday through Thursday as normal. On Fridays, the students will be picked up by their teachers at the normal Village Pick-Up locations. Every night all students will be dropped off at normal Village Drop-Off locations.*

Teachers: Jeff Podgornik and Chad Gago

Marching Band

Grades Eligible: 8 – 12

Students will march in three or four parades during the summer - Sheldon, Ingram, Glen Flora, and sometimes Jump River. We usually practice twice during the week just before the parade (three times for Sheldon, since that's the first parade). Teacher: Kurt Hoesly

Swim Levels:

Pre-Beginners - Level 1 Water Exploration	Pre-Beginners - Level 2 Primary Skills
Level A:	Level A:
Bubble blowing	Hold your breath - 3 seconds
Front float	Retrieve object with help
Back float	Front float or glide
Entering water alone	Step from side to chest-deep
Water safety rules	Front glide with flutter kick
Learn how to get help	Combined stroke front - 5 yards
Reaching assists	Float face-up in a lifejacket
Reaching and extension on deck	Assist non-swimmer to feet
Level B:	Level B:
Submerge face 3 Seconds	Back float or glide
Bounce chest deep - 10 Times	Level off from vertical
Walk chest deep - 5 yards	Rhythmic breathing bob - 10 times
Front float with kick-supported	Back glide with flutter kick
Black float with kick-supported	Finning on back
Walk alternating arms - 5 yards	Back crawl arm action
Release cramp	Combined stroke back - 5 yards
Wear a lifejacket on deck	Turn over front to back
Wear a lifejacket in the water	Turn over back to front
	Video or demo rescue breathing
Beginners - Level 3: Stroke Readiness	Advanced Beginners - Level 4: Stroke Development
Bob from deep to standing	Deep water bobbing
Dive from kneel or compact position	Experiment with buoyancy & float
Front crawl with breather - 10 yards	Rotary breathing
Back crawl coordinated - 10 yards	Dive from stride or standing
Elementary backstroke kick - 10 yards	Elementary backstroke - 10 yards
Reverse direction on the back	Sculling on back - 15 seconds or 10 yards
Learn safe diving rules	Front crawl - 25 yards rotary breast

Tread water	Back crawl - 10 yards
Learn to open the airway for AR	Breaststroke kick - 10 yards
	Sidestroke kick - 10 yards
	Introduce turn-off wall
	Tread water – 2 minutes
	Learn rescue breathing
	Video or demo of CPR
Advanced Beginners - Level 5: Stroke Refinement	Intermediates - Level 6: Proficiency
Alternate breathing	Approach & hurdle on the diving board
Stride jump entry	Jump tuck from a diving board
Beginner diving from board	Front crawl - 100 yards - 1 turn
Long shallow dive	Back crawl - 100 yards - 1 turn
Breaststroke - 10 yards	Breaststroke - 25 yards
Sidestroke - 10 yards	Sidestroke - 25 yards
Underwater swim	Butterfly - 10 yards
Elementary backstroke - 25 yards	Approach stroke - 25 yards
Butterfly kick - 10 yards	Breaststroke turn
Front crawl - 50 yards	Sidestroke turn
Back crawl - 50 yards	Front crawl flip turn
Open turn on the front	Pike surface dive
Open turn on back	Tuck surface dive
