FLL Lego Robotics

Have you ever wanted to program? Have you ever wanted to build? The Lego Robotics Club has you covered. 4th to 8th grade can participate in FLL [First Lego League] where we program, build, and have FUN! FLL is a Summer School Program taught by Ms. Bruce and Mrs. Barnett in 4th grade. Using the EV3 block, you will learn how to do obstacles that your robot will have to do in competition. Yes, that's right, competition. You will also be doing teamwork missions that you have to do with your FLL Team. If that sounds fun, than consider having your child sign up for Lego Robotics. We hope to see you there! By: Christian

Celebration of Learning

Flambeau students celebrated celebration of learning on March 27th. Each grade made something to share with parents and others. Some of the different exhibits were communities, reader's theatre, robots, natural disasters, computers, and Science museum. It was a fun day to show off our projects.

"April Showers Do Spring May Flowers."

Spring Activities

In summer you could go to Summer School and do Explore Wisconsin, cooking, and stem or other activities. You could also play baseball, softball, and soccer. A few other things are go on vacation, go outside, watch mud bogs, go fishing, and go camping.

In Spring you can ride four wheeler and dirt bike threw puddles. You can go outside and play with animals and friends. My favorite summer activity is camping and my favorite spring activity is riding my three wheeler.

Jokes

Why was 6 afraid of 7? Because 7, 8, 9

How do you stop an astronaut's baby from crying?

Answer: You rocket

What is a witch's favorite subject in school?

Answer: Spelling

Spring Book Fair

The Flambeau Book Fair

One of the most exciting things in school is the Book Fair. At the Flambeau School Spring Book Fair, it's buy one, get one free. You pay for the most expensive, but the other one is free. At The Book Fair, we made \$2400 this year. And over 74 books went to the classrooms. The Book Fair has all kinds of books, for example: Dog Man, War Books, Diary of A Wimpy Kid books, scary and creepy books, and much more! Make sure to stop at the Flambeau Book Fair and get some books, it won't last!

How To Make Bath Bombs

1. First mix the dry ingredients (baking soda, Epsom salt, Corn starch, and citric acid) together in a large bowl.
2. Mix up the wet ingredients (oil, water, essential oil/ and food coloring).
3. Slowly add the liquid to the dry mixture.
4. Stuff it into silicone molds, ASAP.
5. Let the bath bombs dry and your done.

EASTER

During Easter you get to see your family. You get to hide eggs and make your cousin's find them. When you wake up the Easter Bunny may have come and gave you delicious candy like chocolate. Then you get to eat lunch before you get to find the eggs, and you might find cool toys like silly string that you can spray your friends or cousin's with or a foam plane that you have to build, then design it with cool stickers. When you're older you might get to do a scavenger hunt where you have to solve a crossword puzzle to find the next challenge. This year I got to do a scavenger hunt we had to do a crossword puzzle and it would tell us where the next envelope was. Then we all got 20 dollars. We had a great Easter and break!

Band And Choir Trip To New Orleans

Everyone in Band and Choir are going to New Orleans next week where there is 80 degree weather. To get to New Orleans they will be on a coach bus. Then they will travel to Tennessee were they will spend the rest of the night. The next day they will continue to travel to New Orleans in Louisiana. They will stay in a nice hotel with a pool for the trip and will be going on a Ghost Tour on Friday the 13th.
