

# SNOW DAY MAKE UP INFORMATION

---

**Flambeau School District  
N4540 County Road I, PO Box 86  
Tony, WI 54563**

March 1, 2019

Flambeau School District Parents and Students,

It has been a bit of an abnormal winter and we have had to work our way through several cancellations thus far. I want to pass along what the plan is for making up school days.

The 2018-2019 School Calendar had a total of 3 days built into it for snow days if we needed them and if so, they would be forgiven. But, because we have surpassed these 3 days we are required to make up all days beyond that.

With that said, it is our plan is to proceed with a make-up plan that was approved by the Board of Education at their February 27, 2019 meeting. The Flambeau School District will now be holding student instructional days on March 14th, March 15th, April 18th, April 22nd and May 8th. If by chance we have a future snow day(s) we will add instructional days in June not to exceed June 7th.

If you have any further questions, please feel free to contact the school at (715) 532-3183.

Thank you.
