March 8, 2019

For Parents & Students in Grades 9-12:

On **Monday, March 25<sup>th</sup>**, students in **grades 9-12** will take part in a “Distracted Driving Simulation” at the Ladysmith MS/HS. Students will leave school at **8:30AM** and return at **11:00AM**.

The Augmented Reality Distracted Driving Education Simulator (A.R.D.D.E.S) is new technology that allows the participants to experience the difficulties and dangers of multitasking while behind the wheel without putting them in harm’s way. The data shows that there is a definite success rate for a high tech interactive simulator. Technicians travel the country educating and engaging young drivers about the dangers of distracted driving.

This presentation is offered through the PEERS Foundation and sponsored by the Rusk County Youth Council, Rusk County Sheriff’s Department, and Marshfield Medical Center-Ladysmith and is being made available to Ladysmith, Bruce and Flambeau Schools.

If you DO NOT wish your student to attend, please call the office no later than the end of the day on Friday, 3/22/2019.
