F: 715-532-5405

September 15, 2020

Dear Parents:

This letter is to notify you that a case(s) of COVID-19 has been reported in the School District of Flambeau. We are actively working with the Rusk County Health Department to quickly identify, notify, and quarantine any students or staff who may have come into close contact with them and who may be at risk of getting sick. We are also cleaning and disinfecting the school to control the spread of illness.

About COVID-19:

COVID-19 is an illness caused by a new coronavirus. It spreads from person to person through droplets created when we cough, sneeze, talk, sing or laugh. Most people—especially young people—who get COVID-19 have mild illness, similar to having a cold or the flu. However, in others it can cause severe illness, such as pneumonia. Symptoms of COVID-19 include:

- Fever (temperature 100.4°F or higher)
- Cough
- Trouble breathing
- Chills
- Muscle/body aches
- Loss of sense of taste or smell
- Runny nose or nasal congestion
- Fatigue
- Nausea, vomiting, or diarrhea

The CDC's website has good information about COVID-19: www.cdc.gov/coronavirus.

What to Expect:

If your child had close contact with a person with COVID-19, you will receive a separate letter with special instructions about monitoring symptoms, testing, and how to keep others in your home from getting sick. If your child did not have close contact with a person with COVID-19 in our school, you will not receive another letter. However, everyone in your household should continue to stay home as much as possible, wash their hands frequently, keep 6 feet away from others, wear a mask or cloth face covering in public, watch for symptoms of COVID-19, and seek medical care when sick. If you know your child has an underlying health condition, you may wish to discuss the option of switching to online instruction with your health care provider. Someone from the Rusk County Health Department may reach out to you with questions. Please assist with them as they work to investigate and control COVID-19 in our school.

Prevent Further Spread:

The following guidelines will help to prevent further spread of illness at our school:

- Notify the school if your child is diagnosed with COVID-19.
- Notify the school if your child had contact with someone who you know was diagnosed with COVID-19.

Board of Education

Julie Hauser, President
 Doug Verdegan, Vice-President
 Linda Applebee, Clerk
 Sara Baker, Treasurer

Ruth Opachan, Director
 Jennifer Pestel, Director
 Mike Schuetz, Director

Administration

Erica Schley, District Administrator
 Vince Ross, 4YK-5 Principal
 Craig Cahoon, 6-12 Principal

Letter to Parents Regarding COVID-19 Case Reported

Erica Schley, District Administrator

- Keep students home from school if they are sick.
- Encourage good habits: frequent handwashing, covering coughs and sneezes, use of face coverings in public, and staying home as much as possible.

Take care,

A handwritten signature in black ink that reads "Erica Schley". The signature is written in a cursive style with a large, looped "E" and "S".
