November 13, 2020

Dear Parents~

This letter is to notify you that there has been an increase of both positive cases and individuals quarantined within our school community, many being adults. Therefore, an announcement was made to all families on Thursday, November 12, 2020 that Flambeau Elementary will move to an all virtual learning platform beginning Monday, November 16, 2020 through Friday, November 20, 2020.

With the addition to elementary students moving to virtual learning, all grades 4YK-12, will participate in virtual learning for the week dated, Monday, November 16, 2020 through Friday, November 20, 2020. Our Thanksgiving break is still scheduled for all students during the week of November 23, 2020 through November 27, 2020. All students will resume face-to-face instruction beginning Monday, November 30, 2020.

Please take note that all after school activities for all grade levels and groups are cancelled through Sunday, November 29, 2020. Activities may resume beginning Monday, November 30, 2020. There may, however, be virtual meetings and activities held upon approval of administration.

We appreciate your support during this time as we continue to work to provide a safe learning environment for all students, 4YK-12. Decisions being made are not easy and much planning and thought takes place before making these recommendations. We plan to continue to provide meals to your children and we are here for you should you need anything. If you would like to request meals for your child, please reach out to Carrie Anderson at carrie.anderson@flambeauschools.org or 715-532-3183 ext. 2221. If leaving a message please provide your name, name(s) of your child(ren), grade of your child(ren), and your contact information.

Please enjoy your weekend and take care!
