Media Opt-Out

Dear Parent/Guardian:

The School District of Flambeau promotes student achievement and provides the community with a variety of communications to celebrate our students and keep everyone informed. This includes electronic and paper newsletters, newspaper stories, brochures, website stories, and social media. This form allows you to “opt-out” of your student’s participation in these publications. Examples of these publications are listed below, but are not inclusive of everything that may be shared by the School District of Flambeau.

If you opt-out for your student, examples of media releases your student will not be included in are:

- Honor roll lists
- Special recognitions, such as classroom awards, school function awards (prom, homecoming), attendance and good behavior awards
- Items showing classroom activities, field trips, and club/athletic events

If you opt-out for your student, your student will still be included in:

- Yearbook publications
- Items showing classroom activities and publications that don’t leave the classroom
